# Executive Summary

Deliverable 12.2 is the mid-term report of all dissemination and communication activities that have been achieved since the beginning of the project (Month 1) and until Month 36, as part of Work Package (WP) 12 and in alignment with the Plan for Dissemination and Exploitation of Results (PEDR) that was issued at Month 7 as Deliverable 12.1.

Deliverable 12.2 provides an overview of the strategy for communicating and disseminating SFERA-III actions and results and then provides a detailed and exhaustive list of all communication and dissemination activities performed since the beginning of the project, including the evaluation of the Key Performance Indicators set for these actions.
